On returning to Carthage, the graduates completed their careers as high school students at 8:00 P.M. May 15 and 16 with Baccalaureate and Commencement exercises on consecutive nights. Both events were held in the Carthage High School Gymnasium which was decorated with the colors of mint green and white. Each girl in the class carried a white carnation, the class flower.

7TH GRADE Seventh graders have begun their first year in the High School Building.

SOCIAL STUDIES Senior government students learn about the operation of our government under the instruction of Mr. Mercer. Interesting educational films are part of the course.

PHYSICAL ED. Physical training is essential to the well - rounded student as academic subjects.

DRIVERS ED. Our students learn safety on the highway. They learn to avoid large stationary objects.

VOCATIONAL AG. These students are learning proper, modern farming methods. They participate in crop and livestock judging contest.

SHOP Woodworking and proper use of modern tools are taught in shop. Here, Mr. Trubey is demonstrating how to drill a hole in his pocket.

RECESS

These are just a few of the many activities of our elementary students. It has been a habit of the kindergarten students to have milk before or after recess. The first grade is preparing for writing. The second grade is showing us how they behave themselves by pointing to the demerit sheet in their room. The third and fourth grades are having art this year of which they are very proud. The fourth grade is studying the sphere. Next is the sixth grade which seems to be studying but is really up to mischief.

GOOD LUCK

RAIDERS!

WE ACKNOWLEDGE...

Mrs. Sue Ann Land, Senior Class and Yearbook sponsor, whose assistance was invaluable to the Yearbook Staff.

Mr. Dan Purtee, Senior Class sponsor, whose guidance helped make our Senior year our most memorable.

Mr. Smith, Principal during our four years of high school, whose leadership has greatly increased educational opportunities at Carthage High School.

Mr. Joseph Cooney from Henley Studios, whose quality photographs of the Seniors, Faculty, and school life are a credit to our yearbook.

Mr. Joseph Porter for taking all the student photographs.

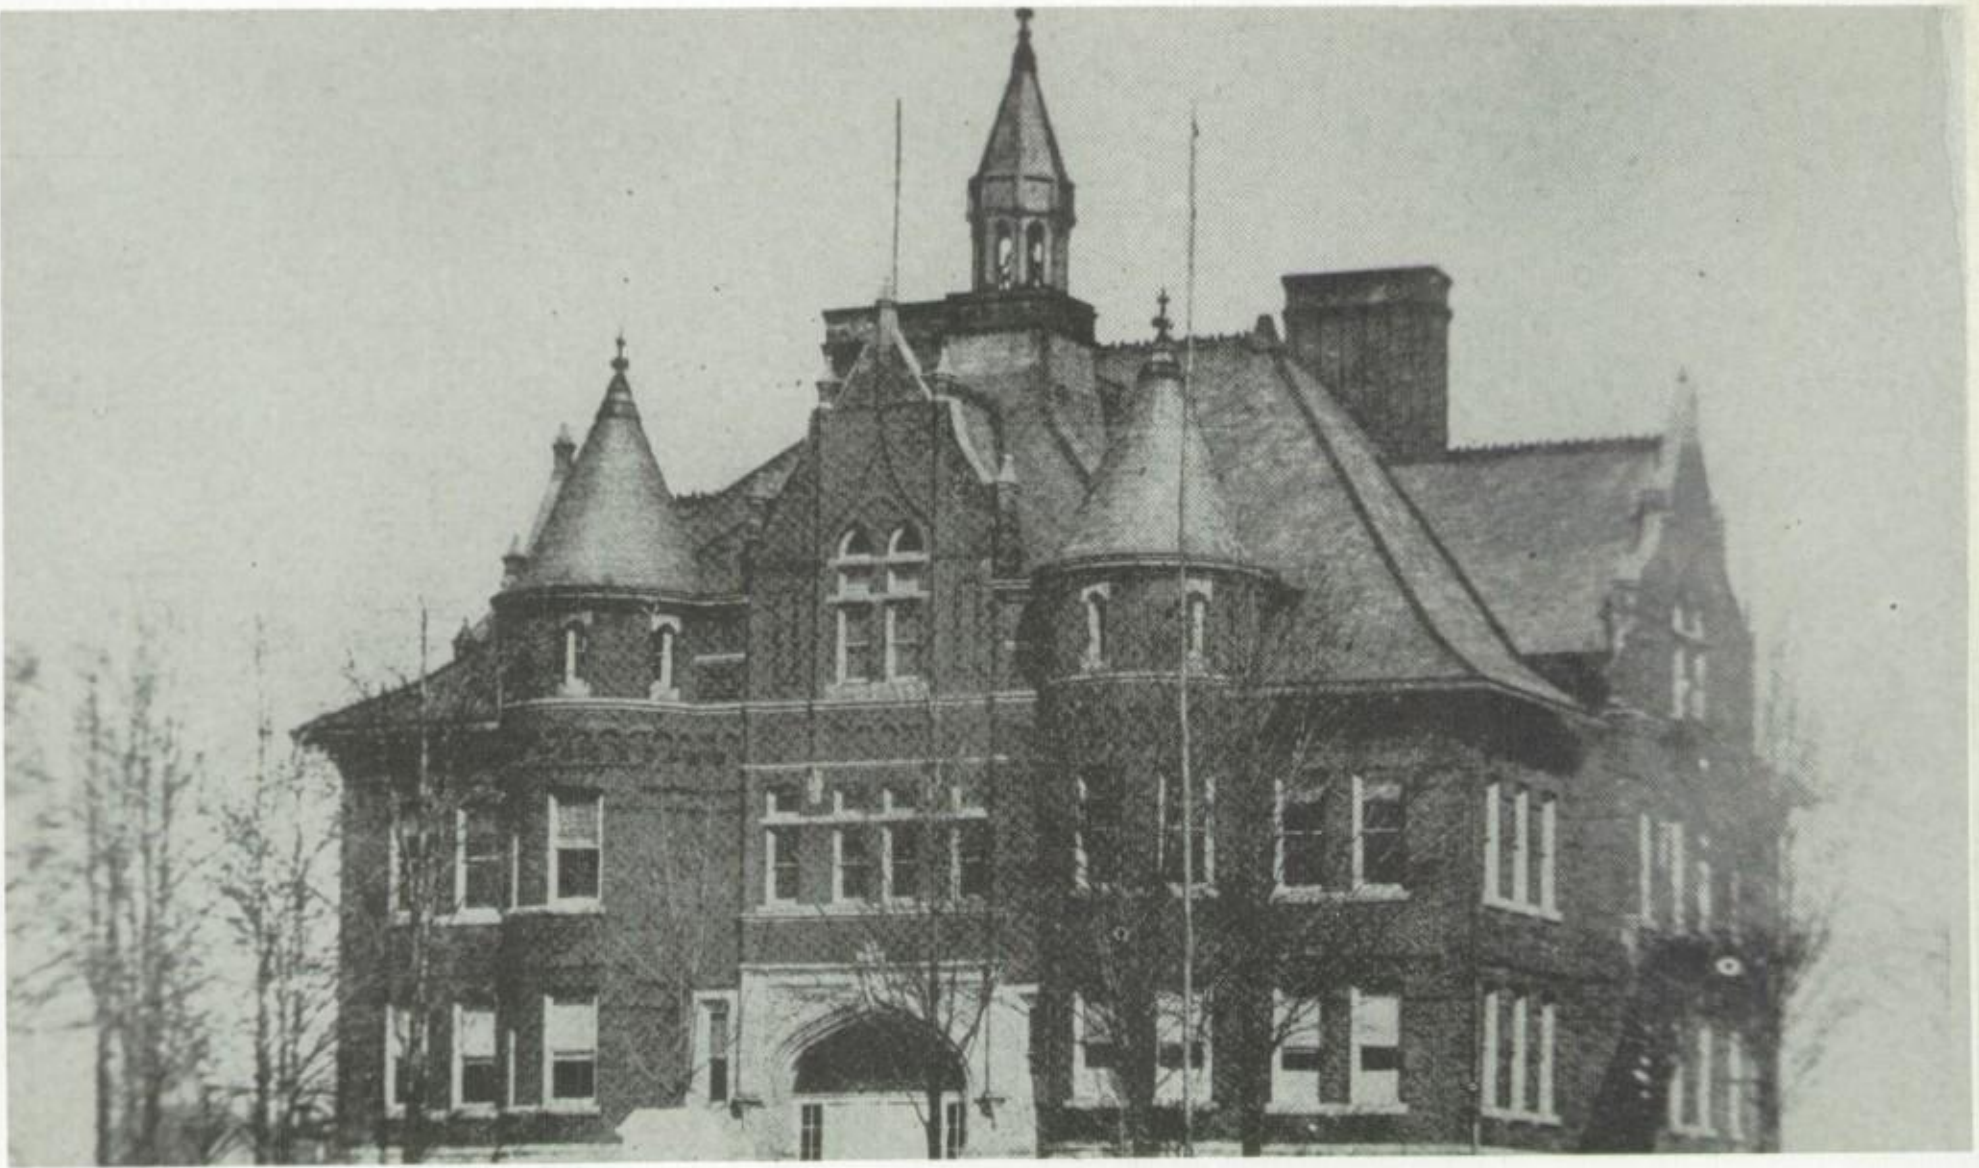

Mr. Bayard Baker for his assistance in the compiling of the alumni record.

1966 CaHiAna Staff

The above picture is of the Carthage School in the early 1900's. The elementary occupied the ground level, and the high school attended classes on the second floor. Athletic events were held in the third floor gymnasium until the towers and gables became unsafe at which time this floor was condemned and torn off. The present building was constructed in 1927; but it became too small for the increasing enrollment which necessitated the need of remodeling and the addition of a third building in 1952 to house the athletic department.
